blendconcept

A new way to love, live, share art.

blendconcept is a project focused on exploring and experimenting a new way to love, live and share art.

Our scope is to engage the art lover in a more innovative and seductive way, whilst reaching out to an ever wider audience in the world of contemporary art.

Each artist has individually inspired our select catalog and thanks to their unique style and distinct medium has fulfilled our desire to connect with art.

blendconcept è un progetto che intende esplorare e sperimentare un nuovo modo di vivere e condividere l'arte.

blendconcept nasce con lo scopo di coinvolgere in modo più innovativo e seducente gli appassionati e di avvicinare un pubblico sempre più ampio all'arte contemporanea.

È un catalogo di opere di artisti accuratamente selezionati perché la loro creatività ci emoziona. Linguaggi diversi e media diversi capaci di soddisfare il desiderio contemporaneo di circondarci d'arte che parli del nostro presente.
